

## Week 9 - Champions League Update

---

GoTT,

In Champion's League Play the following reports were filed from the combatants:

Tony C and Lance def Commish and Dave McC.

This report filed by Tony C... The front nine had me and Lance down by 1 stroke. Although we were both playing well, Dave McC was a par machine and getting a stroke a hole. Me and Lance brought it back to all square on 10, where it stayed until hole 14. Me and Lance both hit the green with our tee shots and took our first lead. Lance then hit a great wood from the 15th fairway which landed on the back of the green and rolled down toward the cup to put us 2 up. The match was clinched on the very next hole as I sank a 10' birdie putt to give us the win, 3 & 2. Thanks for that Tony, although the Commish may take umbrage at the fact that he is conspicuously absent from the recap. {;-)

Mullet and The Sheriff defeat Little Buddy and Hamlet (yes that is Paul M's new nickname so get used to it)

This report from Little Buddy... Mullet and Sheriff pretty much "ham & egged" it all the way through. Team Mullet raced out to a 4 hole lead after the first 4 holes. The Sheriff did make a great run @ Ace on the Par 3 third hole. His ball mark was 1 foot in front of the hole and his ball settled about 2 feet past the hole. He didn't disappoint and made the "easy" birdie. A great shot indeed. Hamlet & LB did manage to cut the lead to 2 going to the tenth. But it was once again The Sheriff hitting a near perfect greenside bunker shot to save par and halve the hole, just when it looked as if the lead could be cut to one. After that, it seemed to take the wind right out of the sails of Hamlet and LB. The match ended 6 & 5 and it seemed like the match wasn't as close as the score indicated.

Well done Team Mullet on a big win and moving on the next round. Could be a tough team to beat!!!

Thanks LB
